

Generosity is the most natural outward expression of an inner attitude of compassion and loving-kindness.

The Dalai Lama

Generosity brings happiness at every stage of its expression. We experience joy in forming the intention to be generous. We experience joy in the actual act of giving something. And we experience joy in remembering the fact that we have given.

Gautama Buddha

“Generosity is complete in itself; there is no need for any other reward than having made others happy. Giving out of sheer devotion, love, or compassion will bring you a feeling of great joy, and your gift will create yet more happiness. The motivation behind the act of giving makes all the difference.”
